RE: Pacific Family Dental Lot

TO: Whom it May Concern

Our household is completely in favor of allowing this expansion to Pacific Family Dental Parking Lot.

We are the closest home to this business and the increased parking of cars near our home has been unsightly, inconvenient and annoying.

There have been multiple occassions where our visitors or even my son cannot find parking near our house during business hours.

I see this as the best solution to the parking dilemma in our neighborhood.

Best Regards,
Michelle Barrera
