Tom Pessemier, P.E.

2009 Top Ten Selection

2007 18th Best Place to Live

This notice is to inform you that portions of SW Sunset Boulevard between Highway 99 and SW Heatherwood Lane will be closed from June 1, 2015 to June 11, 2015 for the removal and replacement of the existing asphalt surface. Varying detour routes will be marked during construction based upon the location of the work being performed. Please see the attached detour map. Other work will be performed before and after the closure using flagging for completion of the work causing some traffic delay. Construction work is anticipated to be completed by the end of June.

Pedestrian crossings of SW Sunset Boulevard will be closed as necessary to perform street construction. Pedestrian crossing closure at Highway 99 and at SW Woodhaven Drive is anticipated to be of short duration, while the pedestrian crossing at SW Timbrel Lane may be closed for several days.

Hours of operation for work on SW Sunset Boulevard will be from 7:00AM to 6:00PM Monday through Friday. These work hours were selected to allow for a longer work day allowing the quicker completion of the project to limit the length of disruption to SW Sunset Boulevard.

The City regrets any inconvenience the temporary road closure may cause and appreciates your patience with this construction work.

If you have any questions, please contact Lynn Johnson, at (503) 925-2311 or johnsonl@sherwoodoregon.gov.
