This notice is to inform you that SW Copper Terrace south of SW Edy Road and north of SW Nursery Way will be closed continuously from Monday August 8, 2016 to Friday September 2, 2016 for the construction of utility and street facilities within SW Copper Terrace. A detour route map is attached for your benefit.

This continuous closure will enable the contractor to maximize efficiency in an attempt to get the work completed prior to the start of the school year.

In addition a temporary pedestrian path will be created to bypass the work zone in this area.

The City regrets any inconvenience the temporary road closure may cause and appreciates your patience with this construction work.

If you have any questions, please contact Craig Christensen, P.E., Project Manager at (503) 925-2301 or by email at [christensenc@sherwoodoregon.gov](mailto:christensenc@sherwoodoregon.gov).
