About the District

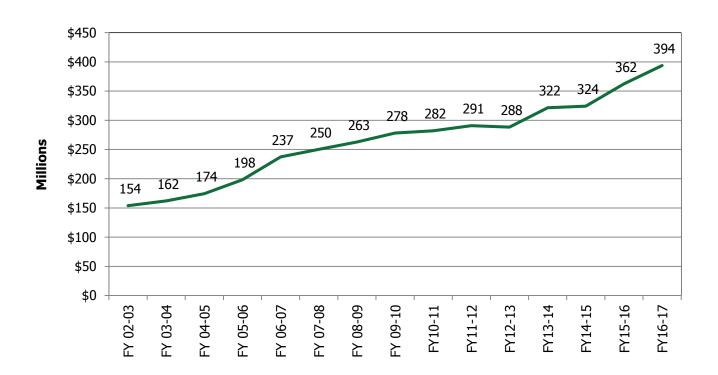

The City of Sherwood Urban Renewal Agency (URA) is a separate entity from the City. The Sherwood City Council serves as the Board of Directors for the URA and is financially accountable for its operations. In accordance with Oregon budget law, the URA prepares its own budget, and the Board of Directors approves its annual appropriations.

Urban renewal agencies are designed to borrow money and make expenditure for economic and community development projects included in the Urban Renewal Plan. When the Sherwood Urban Renewal Plan was adopted in 2000, property values were frozen. The taxes collected on that frozen value continues to flow to the taxing authorities (City, County, Schools, TVF&R, etc.). The taxes collected on increased property values that occur with NEW development generate incremental tax revenue. This tax increment is then used to repay the URA debt and implement the URA plan.

In 2012 the URA plan was amended. The Maximum Indebtedness was increased and starting in 2014 a portion of the NEW tax revenue will be shared with the other taxing authorities. The net effect of the additional shared revenue will be to keep the district open for one additional year. The District is expected to close in 2021.

Urban Renewal Tax Collections are not an additional tax. Urban Renewal Tax Collections are used to initiate development that would not be financially feasible without infrastructure improvements made possible by urban renewal financing.

Urban Renewal District Incremental Assessed Value

Budget Message

It is my privilege to provide you, the citizens of the City of Sherwood, with my proposed Urban Renewal Agency budget for Fiscal Year 16-17.

The Agency budget consists of one fund which covers both operations and capital. The operations for Agency includes administration costs and economic development activities within the Urban Renewal Area. The capital portion of the budget is for construction projects and property purchases. All of the projects funded through URA capital are transferred to City ownership on completion.

The Agency operates under guidance from the Agency Board of Directors.

FY16-17 Proposed Budget

The FY16-17 operations budget is largely a status quo budget but there are some additional expenses as we maintain and prepare to divest of assets in future years. Economic development activities which support for Old Town Sherwood and City involvement in regional economic development partnerships are budgeted to continue including some limited façade grants (\$15,000). Debt service payments account for the majority of the expenditures out of operations. The URA is expected to generate revenue of \$3.91 million in FY 16-17 based on increment value used of \$218 million.

The FY16-17 Capital Projects budget primarily includes appropriations to:

- Construct a parking lot on the 1st Street properties acquired by the URA in 2014
- Removal of Monuments in Old Town
- Signage for the Center for the Arts
- Tenant Improvements for the Center for the Arts lease space

These will be the last capital projects funded by the Urban Renewal Agency unless there is additional revenue from the sale of properties owned by the URA.

The Agency will spend this year finishing construction activities and take the initial steps to sell property over the next few years. The URA debt is scheduled to be paid off in 2021 or 2022 depending on future Tax Increment Financing collections. I am looking forward to an active year of Agency progress and achievements.

Respectfully Submitted,

Tom Pessemier Assistant City Manager
