NOTICE	
All contractors and subcontractors are required to be licensed with the Oregon Construction Contractors Board under ORS 701 and may be required to be licensed in the jurisdiction in which work is being performed. If the applicant is exempt from licensing, the following reasons apply:	
CONDITIONS OF PERMIT	
Grading to conform to Appendix J of the 2007 Oregon Structural Specialty Code, as adopted by the City of Sherwood.	
This permit is valid for mass site grading only. It does not cover any construction for roadways, underground utilities, or public improvements. Construction for any public improvements will be permitted only upon approval of Final Engineering Plans. Work performed on the construction of any public improvements, will be at the applicant's own risk. Work under this permit does not guarantee approval of future permits.	
Issuance of this permit does not imply any City approval of the site plan. Permit is valid for six months.	
A copy of the Service Provider Letter from Clean Water Services is required prior to issuance of Grading permit.	
All Erosion Control measures must be installed and approved prior to any site work. Call the City of Sherwood Inspection line at 503-625-0545 to schedule.
