RE: *Citation Refund Status for Dismissed Photo Radar Citations at Northbound Intersection of Highway 99W and SW Tualatin-Sherwood Road*

Mayor
Tim Rosener

On January 9, 2024, the City of Sherwood announced its intent to refund certain traffic citations by March 31, 2024.¹

Council President
Kim Young

The number of citations issued between October 2, 2023, and December 8, 2023, was significantly higher than anticipated. While our court staff has already issued hundreds of refunds, they are still working diligently to process all refunds. I am grateful for your patience as we work through this process.

Councilors
Renee Brouse
Taylor Giles
Keith Mays

Dan Standke

City Manager Pro Tem
