Shall Sherwood impose a three percent tax on sales of recreational marijuana items by recreational marijuana retailers in the city?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.
Under state law, a city council may adopt an ordinance to be referred to the voters of the city imposing up to a three percent tax on the sale of recreational marijuana items in the city by licensed recreational marijuana retailers. The Sherwood City Council adopted such an ordinance and referred it to this election.
Approval of this measure would impose a three percent tax on the sale of recreational marijuana items in the city by licensed recreational marijuana retailers. The tax would be collected at the point of sale and remitted by the retailers.
Under state law, a city that prohibits the establishment of one or more types of marijuana facilities in the city may not impose a local tax on the sale of recreational marijuana items. A separate measure on this ballot would prohibit the establishment of certain recreational marijuana facilities in Sherwood. This local tax measure would therefore become operative only if it is approved by voters and the measure prohibiting certain recreational marijuana facilities is not approved.

Explanatory Statement

Approval of this measure would impose a three percent tax on the sale of recreational marijuana items by recreational marijuana retailers within the City of Sherwood. The tax would be collected at the point of sale and remitted by the retailers. There are no restrictions on how the city may use the revenues generated by this tax.

Under Measure 91, adopted by Oregon voters in November 2014, the Oregon Liquor Control Commission must license the retail sale of recreational marijuana. The Oregon Legislature subsequently provided that a city council may adopt an ordinance imposing up to a three percent tax on the sale of recreational marijuana items (which include marijuana concentrates, extracts, edibles, and other products intended for human consumption and use) by licensed recreational marijuana retailers in the city, but the city council must refer that ordinance to the city's voters at a statewide general election. The Sherwood City Council adopted an ordinance imposing a three percent tax on the sale of recreational marijuana items by licensed recreational marijuana retailers in the city and, as a result, has referred this measure to the voters.

Under state law, a city that prohibits the establishment of one or more types of marijuana facilities in the city may not impose a local tax on the sale of recreational marijuana items. A separate measure on this ballot would prohibit the establishment of certain recreational marijuana facilities in Sherwood. This local tax measure would therefore become operative only if it is approved by voters and the measure prohibiting certain recreational marijuana facilities is not approved.
