This notice is to inform you that SW Highland Drive will be closed from 8:00AM to 6:00PM on an as needed basis throughout June, 2016 for the construction of storm sewer facilities and street improvements within SW Highland Drive. A map of the closure is attached for your benefit.

Homeowners on SW Highland Drive will have access, however, please anticipate some delays. Other drivers within this area should plan their route to avoid this intersection.

Homeowners should be aware of potential street hazards, construction equipment and construction workers when driving through this construction work area. Please note that the street will remain gravel until the asphalt is placed in late June.

Please note that due to this construction work that there will be no parking along SW Highland Drive in areas where the contractor will be performing work.

The City regrets any inconvenience the temporary road closure may cause and appreciates your patience with this construction work.

If you have any questions, please contact Craig Christensen, P.E., Project Manager at (503) 925-2301 or by email at christensenc@sherwoodoregon.gov.
