

CITY OF SHERWOOD
ON CALL TRAFFIC ENGINEERING SERVICES
Proposals due 3:00 PM, August 19, 2016
REQUEST FOR PROPOSALS

The City of Sherwood is seeking proposals from qualified consultants to provide on-call traffic engineering services. The consulting firm must be licensed in the State of Oregon and provide services per OAR 137-048-0110. The term of the initial contract will be two years with extension options meeting current contracting rules.

Proposals can also serve as annual statements of qualifications per OAR 137-048-0120 in the event the City solicits additional services for a bi-annual list of qualified consultants.

A pre-proposal meeting will NOT be held for this request. The complete RFP document can be downloaded at www.sherwoodoregon.gov/engineering/bids and be examined in person at Sherwood City Hall, 2nd Floor, Engineering Department. Please send all inquiries via email to watersj@sherwoodoregon.gov no later than 3:00PM (PDT) on Thursday, August 11, 2016. The deadline for proposals is 3:00PM (PDT) on Friday, August 19, 2016.

Consultant selection shall be based on Qualification Based Selection (QBS). Proposals containing information on fees, rates or pricing shall be disqualified. The City of Sherwood may cancel or modify this RFP or reject all proposals if determined to be in the best interest of the City.
