SUMMARY AND REQUIREMENTS

Are you passionate about building new readers, developing programs with pizzazz and creating displays that make kids and teens stop in their tracks? The City of Sherwood is seeking a young-at-heart, forward-thinking, and energetic team-player to be our next Librarian I (Youth Services).

The Librarian I (Youth Services) performs a range of professional library services, including reference and readers' advisory, collection development, community outreach and the development and implementation of programming—with an emphasis on storytimes and other programs for patrons from birth through grade 12. Additional duties may include social media and email marketing, website maintenance, designing promotional materials, creating displays and bulletin boards. Limited hours will be scheduled at the front desk to provide circulation and reference services. In this position, you will join a solid Information Services Team, act as a support for the Librarian II (Youth Services), and may act in a lead capacity as Library person-in-charge in the absence of a Supervising Librarian or other full-time Librarian staff. This opportunity is a part time position, 20 hours per week. Shifts are regularly scheduled; weekends and evenings may be required. Come be a part of what makes Sherwood a great place to live and work.

MANDATORY REQUIREMENTS: Broad knowledge of the principles, practices and philosophy of public library operations, current methods and principles governing reference services, and collection management of print and non-print materials. Completion of an ALA accredited Master's of Library Science program, and one year professional Librarian experience in a public library system, or any satisfactory combination of experience and training which demonstrates the knowledge, skills and abilities to perform the above duties.

DESIRABLE EXPERIENCE OR SKILLS: Practical experience in planning and providing interactive storytimes. Proficiency with the Polaris ILS in the Washington County Cooperative Library Services (WCCLS) environment is preferred.

To apply, submit a completed City Application, cover letter that includes responses to the supplemental questions below, and resume, to the Human Resource Department on or before the closing date. Electronic and faxed copies are accepted with a signature. Application materials will be used to select the top candidates. Prior to hiring, the successful candidate may be asked to complete a satisfactory pre-employment criminal history background check.
