Talk

Naming and categorizing things can be fun for children of all ages. Help children make sense of their world by grouping things that go together, such as rocks, leaves and sticks when you are outside. Indoors, the possibilities are endless.

Sing

Alligator, Alligator

(Listen for the “L” sound in this action rhyme)

Alligator, Alligator

Long and green.

(using one hand, make a “mouth” with fingers and thumb)

Alligator, Alligator

Teeth so mean.

(open and close “mouth”)

Alligator, Alligator

Snaps at a flea.

(make biting motion to the right)

Alligator, Alligator

Snaps at a bee.

(make biting motion to the left)

Alligator, Alligator

You can’t catch me!

(make biting motion while shaking head “no”)

Little Birds

(Kids can act out the commands)

Little birds, little birds, jump up and down

Little birds, little birds, don’t make a sound

Little birds, little birds, tip-toe to me

Little birds, little birds, bend your knees

Little birds, little birds, peep, peep, peep

Little birds, little birds, sleep, sleep, sleep

Little birds, little birds, fly to the leaves

Little birds, little birds, sit down please
