# Introducción

**Explorador web:** Un programa que le permite ver los sitios web y navegar entre ellos usando hipervínculos

Exploradores comunes

**Motor de búsqueda:** Un sitio web que le permite buscar información y ver contenido en Internet

Motores de búsqueda comunes

# Uso de un explorador web

- **Para abrir un explorador web:**
  - Acceso directo en el escritorio
  - Barra de menús

Edge

Mozilla  
Firefox

Google  
Chrome

Safari

# Uso de un explorador web

- **Barra de dirección:** Se utiliza para escribir la dirección de un sitio web o página web.

## Uso de un explorador web

- **Cuadro de búsqueda:** Se usa para ingresar palabras clave cuando se desconoce la dirección exacta.

Nota: Algunos exploradores tienen solo un "cuadro multifunción" único que se utiliza para ingresar tanto las direcciones web como las palabras clave (como Google).

# Uso de un explorador web

- **Ventana del explorador:** Es la forma en que usted visualiza y navega por las páginas de la web. Dentro de una ventana del explorador puede tener varias pestañas. También puede tener abiertas varias ventanas del explorador al mismo tiempo.

# Uso de un explorador web

- **Pestañas:** Se utilizan para abrir una página web sin cerrar la actual de manera que pueda navegar hacia adelante y hacia atrás entre ellas. Para abrir una nueva pestaña, haga clic en el signo "+".

# Uso de un explorador web

- **Atrás:** Se utiliza para volver a la pantalla anterior en el explorador web.
- **Adelante:** Se utiliza para volver a la pantalla que apareció antes de presionar el botón Atrás en el explorador web.

# Uso de un explorador web

- **Detener:** Se utiliza para detener la carga de una página web cuando esta tarda demasiado o cuando usted se da cuenta de que seleccionó la página web incorrecta.

# Uso de un explorador web

- **Recargar** o **Actualizar**: Se utiliza para volver a cargar la página web y garantizar que el contenido de la página web esté actualizado.

# Uso de un explorador web

- **Inicio:** Se utiliza para volver a la página de inicio del explorador web. Usted puede seleccionar la página web que desea establecer como su Página de inicio en la configuración del explorador web.

# Uso de un explorador web

- **Marcadores o Favoritos:** Se utilizan para guardar las páginas web favoritas o visitadas con frecuencia para que sean más fáciles de encontrar más adelante.

# Actividad 1

## **ACTIVIDAD 1: Uso de un explorador web**

Utilice un explorador web o siga al instructor para completar las siguientes tareas.

Utilice la barra de dirección para ir a [www.google.com](http://www.google.com) y busque *cachorritos*.

1. Haga clic en el botón Atrás. ¿Qué página web se muestra?
2. Haga clic en el botón Adelante. ¿Qué página web se muestra?
3. Haga clic en la página principal. ¿Qué página web se muestra?
4. ¿En qué icono del explorador web haría clic para marcar esta página?

# Uso de un motor de búsqueda

- **Apertura de un motor de búsqueda**
  - Abrir un explorador web
    - Acceso directo en el escritorio
    - Barra de menús

## Consejos y trucos para la búsqueda

- Utilice comillas para buscar una frase exacta.  
Ejemplo: "Feria del Estado de Illinois"
- **Y** reduce los resultados de la búsqueda. Encuentra páginas web que contienen todos los términos de búsqueda.  
Ejemplo: Chicago **Y** eventos
- **O** amplía su búsqueda. Busca páginas web que contengan cualquiera de las dos palabras.  
Ejemplo: colegio **O** universidad
- Puede excluir términos de los resultados de la búsqueda utilizando el símbolo menos (-).  
Ejemplo: cardenales -béisbol

# Consejos y trucos para la búsqueda

- Revise la lista de resultados de la búsqueda antes de hacer clic en un enlace.
- Verifique varias páginas antes de usar una nueva búsqueda por palabra clave.
- Utilice "Intentar también" o "Búsquedas relacionadas con".
- Si no puede encontrar una página web, intente utilizar la función de búsqueda recomendada disponible en la mayoría de las páginas de resultados de búsqueda.

The main content area is titled "EVENTS" and displays the date range "August 2 2021 - August 31 2021". A sidebar on the left, highlighted with an orange border, contains a "Calendar" section with a "Date range" dropdown. Below this are "From" and "To" date pickers, and a list of navigation options: "Today", "Tomorrow", "This week", and "Next week".

The main event listing is for "ONE WORLD CONNECTED THROUGH SONG - PRESENTED BY HELLO MUSIC", scheduled for "Monday, August 02: 10:00am - 11:30am". It is a "Virtual Branch" event. The "AGE GROUP" is listed as "PRESCHOOLERS", "KIDS", and "FAMILY". The "EVENT TYPE" is "VIRTUAL EVENT, BOOKS & READING, ARTS & CREATIVITY".

# Navegación por un sitio web: consejos y trucos

- **Consejos de seguridad:** A continuación se ofrecen algunos consejos para asegurarse de que utiliza Internet de forma segura.
  - **Sitios web seguros:** por lo general, comienzan con `https://` o muestran un icono de candado o un mensaje para alertar a los usuarios de que el propietario del sitio web emplea su propio equipo de seguridad para garantizar el cifrado de la información del usuario.

# Navegación por un sitio web: consejos y trucos

- **URL falsas:** A veces, los estafadores crean una URL falsa como parte de una estafa en línea. Verifique la dirección o URL del sitio web para asegurarse de que se encuentra en el sitio web que deseaba visitar. Si falta una letra, hay un error tipográfico o errores gramaticales esto puede ser una señal de que el sitio web podría ser parte de una estafa.
- **Configuración de seguridad:** Verifique la configuración de seguridad en su explorador web para ver y establecer sus preferencias de seguridad.
