International Games Day and more @ the Library

This Halloween, stop in for a treat, warm your bones by our fireplace, or do a little coloring during Old Town Trick-or-Treating, Monday, October 31, 3:00-6:00 p.m.

Coming soon to the Children's Area, we're getting an interactive house "kiosk" for children to play with a variety of objects to twirl, move and manipulate--all with early learning in mind. The kiosk is funded by a Community Enhancement Project grant awarded for \$10,600 through Metro and the City of Sherwood.

Sherwood Public Library will join over a thousand libraries around the world on November 19 for the 9th annual celebration of gaming in libraries--International Games

Day @ Your Library. Like so many other libraries across the country and around the world, we will offer special gaming programs and events suitable for the whole family. Get your game on with our Wii U, Giant Candyland, board games, cups, ping pong, make-your-own-game station and more, from 10:00-6:00 p.m. on Saturday, November 19. International Games Day is an initiative supported by the American Library Association, the Australian Library and Information Association, and Nordic Game Day.

See you at the library!

POWER, PRIVILEGE AND RACIAL DIVERSITY IN OREGON

Many Oregonians value racial diversity and the dimension and depth it adds to our lives, yet we remain largely isolated from one another and have yet to fulfill the vision of a racially integrated society. Willamette University professor, Emily Drew, will lead participants in a conversation that explores some of the causes of this continued isolation and the differences of experience between Oregonians of different races--such as institutional racism, white privilege, and unconscious bias. This program is sponsored by Oregon Humanities and is supported in part by a grant from the Oregon Cultural Trust.
