

Cedar Creek Trail Project 2 (North)

Alignment Comparison

November 17, 2015

Rating	Indication
+	The segment addresses or performs well against the criterion and/or makes substantial improvement in the criteria category
✓	The segment partially addresses or performs sufficiently against the criterion and/or makes some improvement in the criteria category
0	The segment has no effect, or criterion does not apply
-	The segment does not support the intent of and/or negatively impacts the criteria category

Route Naming:	"A" indicates the alignments to west side of the zone. "B" indicates alignments to the east.
	Thus, segment 1a is on the west side of zone 1, and 2b is on the east side of zone 2.

Segment	Zone 1			Zone 2			Zone 3			Zone 4			
	A	B		A	B		A	B		A	B	A1	AB
