

Notice of Neighborhood Meeting

A neighborhood meeting will be held on July 8, 2022 at 16255 SW Railroad ST, Sherwood OR 97140 to inform the community about our proposed renovation. Interested community members are encouraged to attend this meeting. Please contact Chris Kish at 971-563-3756 for additional information.

Project Proposal

Chris and Kelley Kish are proposing a renovation of the exterior of the building located at 16255 SW Railroad St, Sherwood, Oregon 97140.

The property needs a new roof; the current roof has failed and leaks water during heavy rains. The windows in the front of the home and the sides of the property are failing and need replacing. The proposal will modify the overhang at the front entrance of the property, which is a hazard due to the failing roof on top of it, and not being structurally sound or supported. Renovation plans have been drawn up by local designer Mark Stewart (located in Old Town Sherwood). As a local Sherwood property owner, we plan to abide by all Sherwood Old Town overlay district rules to help preserve this beautiful building within the Sherwood community.

Agenda

- 5:00 pm - Welcome
- 5:15 pm - Project Presentation
- 5:20 pm - Questions and Answers
- 5:45 pm - Meeting Adjourn
