

Neighborhood Meeting Notice: Sherwood Festival Plaza

A Virtual Neighborhood Meeting will be held on **Thursday, March 10, 2022 at from 6:00 pm to 7:00 pm** regarding the design of a Festival Plaza at SW First and Pine Streets in Sherwood, Oregon. The site is currently used as a parking lot and is located across from the City Library and within Old Town Sherwood, the home of a number of festivals throughout the year.

The proposal for the site is to create a flexible public space that can host a variety of community activities and events, but that can also function as a parking lot on a day-to-day basis. Elements of the design include decorative paving and seat walls, high mast plaza lighting with functionality to suspend tents and support events, landscaping, a decorative art screen, site furnishings, and electrical/water hook ups.

The purpose of this virtual meeting is to provide a forum for surrounding property owners/neighbors and citizens of Sherwood to review the proposal and to identify issues so that they may be considered before a land use application is submitted to the City of Sherwood.

Please join us to provide comments and feedback on the proposed plan. **We encourage participants to register for the Neighborhood Meeting at <https://www.sherwoodoregon.gov/FestivalPlaza>.** Written comments and questions can be submitted prior to the meeting via email or USPS.
