

Sherwood West Preliminary Concept Plan

A long range look at our future.

Community Open House

The City of Sherwood is beginning a community planning process for the Urban Reserve-designated land west of the City, "Sherwood West". During the next 12 months, we will need your help identifying where people in Sherwood will live, work, and play as we grow over the next 50 years. Most cities grow, but planned cities grow better. With your help, we can keep Sherwood a thriving and healthy community for decades to come.

You are invited to help us kick off this planning process and discover:

What is a "Pre-Concept Plan"?

Why is the City leading this effort?

How can I get involved?
