

## **Sherwood Skate Park Questions\_v2**

1. Do we add in our own line item for the fencing? 4' tall chain link fence contractor? **Yes**
2. To clarify we write in our own line item for the Addendum 2 - Manhole – **Yes**
3. Building permit fees, it states the contractor is responsible for this. Is there a rate per thousand dollars or a project percentage fee? **The City is responsible and will pay all permit fees.**
4. On Addendum #2 - Line item 6. Special Inspections for steel compaction and concrete. Can you please clarify this? Is this the concrete testing that is removed? **All inspections are required. The City will hire an inspection company to perform these inspections. This will not be part of the Contractor's contract but will still need to be called in as required by the city. We want to make sure it is not the "Quality Control Special Inspections". All quality control inspections are required but will be performed by a third party contract through the City.**
