RFP Questions – Public Works Facility Project

1. At this time do you know if there will be any union requirements?
 - a. No union requirements at this time.
2. We wanted to inquire about the possibility of extending the due date of September 29, 2021. Would that be something that you would be willing to consider?
 - a. We are unable to modify our schedule as we need to be able to complete the RFP process and finish Phase 1 within the fiscal year (July 2021 to June 2022).
3. Are you looking for a full design team (i.e. for Phase 1-3) to be outlined in our proposal or only the subconsultants that we will need for Phase 1?
 - a. Per the RFP, the City is seeking proposals from highly qualified individuals, consulting firms, or teams of consultants ("Proposers") to: 1) prepare a public works facility master plan that includes a phasing plan, cost estimates, and preliminary site design; 2) provide intermediate and final design of the new building, site, and amenities; and 3) provide construction management service.
