It is a condition of this Contract that all employers working under this Contract are either subject employers that will comply with ORS 656.017 or employers that are exempt under ORS 656.126.
- (c) As provided by ORS 279A.110, Contractor may not discriminate against a subcontractor in the awarding of a subcontract because the subcontractor is a minority, women, or an emerging small business enterprise certified under ORS 200.055 or a business enterprise that is owned or controlled by or that employs a disabled veteran, as defined in ORS 408.225. If Contractor violates this subsection, City may regard the violation as a breach of contract that permits the City to: (1) terminate this Contract; or (2) exercise any remedies for breach of contract that are reserved in this Contract.
- (d) As provided by ORS 279C.520:
 - i. A person may not be employed for more than ten (10) hours in any one day, or forty (40) hours in any one week, except in cases of necessity, emergency, or when the public policy absolutely requires it, and in such cases, except in cases of contracts for personal services designated under ORS 279C.100, the employee shall be paid at least time and a half pay:
 - (1) For all overtime in excess of eight (8) hours in any one day or forty (40) hours in any one week when the work week is five (5) consecutive days, Monday through Friday; or
 - (2) For all overtime in excess of ten (10) hours in any one day or forty (40) hours in any one week when the work week is four (4) consecutive days, Monday through Friday; and

 - iii. Contractor must comply with ORS 652.220 and shall not unlawfully discriminate against any of Contractor's employees in the payment of wages or other compensation for work of comparable character on the basis of an employee's membership in a protected class. Contractor's compliance with this section constitutes a material element of this Contract and a failure to comply constitutes a breach that entitles City to terminate this Contract for cause.
 - iv. Contractor may not prohibit any of Contractor's employees from discussing the employee's rate of wage, salary, benefits, or other compensation with another employee or another person. Contractor may not retaliate against an employee who discusses the employee's rate of wage, salary, benefits, or other compensation with another employee or another person.
- (e) Contractor must give notice in writing to employees who work on this Contract, either at the time of hire or before commencement of work on this Contract, or by posting a notice in a location frequented by employees, of the number of hours per day and days per week that the employees may be required to work.

- (1) If the Contractor fails, neglects or refuses to pay promptly a person's claim for labor or services that the person provides to the Contractor or a subcontractor in connection with this Contract as the claim becomes due, the City may pay the amount of the claim to the person that provides the labor or services and charge the amount of the payment against funds due or to become due the Contractor by reason of this Contract.
 - (2) If the Contractor or a first-tier subcontractor fails, neglects or refuses to pay a person that provides labor or materials in connection with this Contract within thirty (30) days after receiving payment from the City or the Contractor, the Contractor or first-tier subcontractor owes the person the amount due plus interest charges that begin at the end of the ten (10) day period within which payment is due under ORS 279C.580(4) and that end upon final payment, unless payment is subject to a good faith dispute as defined in ORS 279C.580. The rate of interest on the amount due is nine percent per annum. The amount of interest may not be waived.
 - (3) If the Contractor or a subcontractor fails, neglects or refuses to pay a person that provides labor or materials in connection with this Contract, the person may file a complaint with the Construction Contractors Board, unless payment is subject to a good faith dispute as defined in ORS 279C.580.
 - (4) Paying a claim in the manner authorized in this section does not relieve the Contractor or the Contractor's surety from obligation with respect to an unpaid claim.
- (h) As provided by ORS 279C.580, Contractor shall include in each subcontract for property or services Contractor enters into with a first-tier subcontractor, including a material supplier, for the purpose of performing a construction contract:
- (1) A payment clause that obligates Contractor to pay the first-tier subcontractor for satisfactory performance under the subcontract within ten (10) days out of amounts the City pays to Contractor under this contract.
 - (2) A clause that requires Contractor to provide a first-tier subcontractor with a standard form that the first-tier subcontractor may use as an application for payment or as another method by which the subcontractor may claim a payment due from Contractor.
 - (3) A clause that requires Contractor, except as otherwise provided in this paragraph, to use the same form and regular administrative procedures for processing payments during the entire term of the subcontract. Contractor may change the form or the regular administrative procedures Contractor uses for processing payments if Contractor:
 - a. Notifies the subcontractor in writing at least 45 days before the date on which Contractor makes the change; and
 - b. Includes with the written notice a copy of the new or changed form or a description of the new or changed procedure.
 - (4) An interest penalty clause that obligates Contractor, if Contractor does not pay the first-tier subcontractor within thirty (30) days after receiving payment from the City, to pay the first-tier subcontractor an interest penalty on amounts due in each payment Contractor does not make in accordance with the payment clause included in the subcontract under paragraph (a) of this subsection. Contractor or a first-tier subcontractor is not obligated to pay an interest penalty if the only reason that Contractor or a first-tier subcontractor did not make payment when payment was due is that Contractor or a first-tier subcontractor did not receive payment from the City or Contractor when payment was due. The interest penalty:
 - a. Applies to the period that begins on the day after the required payment date and that ends on the date on which the amount due is paid; and
 - b. Is computed at the rate specified in ORS 279C.515(2).

Additionally, Contractor, in each of Contractor's subcontracts, shall require the first-tier subcontractor to include a payment clause and an interest penalty clause that conforms to the standards set forth above in each of the first-tier subcontractor's subcontracts and shall require each of the first-tier subcontractor's subcontractors to include such clauses in the first-tier subcontractor's subcontracts with each lower-tier subcontractor or supplier.

- (i) Construction Contractors Board (CCB) requirements: Contractor must have a payment bond filed with CCB when required by ORS 279C.380 and 279C.390. Contractor and each subcontractor must have a public works bond filed with CCB before starting work under this Contract, unless exempt under state law.

Surety bond #: _____ CCB # (if applicable): _____

We, _____, as principal, and _____, a corporation qualified and authorized to do business in the State of Oregon, as surety, are held and firmly bound unto the State of Oregon for the use and benefit of the Oregon Bureau of Labor and Industries (BOLI) in the sum of thirty thousand dollars (\$30,000) lawful money of the United States of America to be paid as provided in ORS chapter 279C, as amended by Oregon Laws 2005, chapter 360, for which payment well and truly to be made, we bind ourselves, our heirs, personal representatives, successors and assigns, jointly and severally, firmly by this agreement.

WHEREAS, the above-named principal wishes to be eligible to work on public works project(s) subject to the provisions of ORS chapter 279C, as amended by Oregon Laws 2005, chapter 360, and is, therefore, required to obtain and file a statutory public works bond in the penal sum of \$30,000 with good and sufficient surety as required pursuant to the provisions of section 2, chapter 360, Oregon Laws 2005, conditioned as herein set forth.

NOW, THEREFORE, the conditions of the foregoing obligations are that if said principal with regard to all work done by the principal as a contractor or subcontractor on public works project(s), shall pay all claims ordered by BOLI against the principal to workers performing labor upon public works projects for unpaid wages determined to be due, in accordance with ORS chapter 279C, as amended by Oregon Laws 2005, chapter 360, and OAR Chapter 839, then this obligation shall be void; otherwise to remain in full force and effect.

This bond shall be one continuing obligation, and the liability of the surety for the aggregate of any and all claims which may arise hereunder shall in no event exceed the amount of the penalty of this bond.

This bond shall become effective on the date it is executed by both the principal and surety and shall continuously remain in effect until depleted by claims paid under ORS chapter 279C, as amended by Oregon Laws 2005, chapter 360, unless the surety sooner cancels the bond. IN WITNESS WHEREOF, the principal and surety execute this agreement. The surety fully authorizes its representatives in the State of Oregon to enter into this obligation.
