*In the months of November and December, street sweeping will be coordinated with the leaf program. Daily schedules will likely be modified and different from what is shown.

*Days missed due to holidays will be made up on the third week of the month.

*Severe weather, emergencies, or other events may cause this schedule to be altered.

*To meet performance measures, the City's goal is to sweep all curbed streets 12 times per year.

Street sweeping to occur on curbed streets in the first two full weeks of each month.
