September 24th & 25th, 2019 (Tuesday & Wednesday)

Map data provided by METRO and the City of Sherwood. The City of Sherwood's infrastructure records, drawings, and other documents have been gathered over many years, using many different formats and standards. While the data provided is generally believed to be accurate, occasionally it proves to be incorrect; thus its accuracy is not guaranteed.

*Note: one-lane of traffic is to be maintained within work area via use of flaggers. Drivers may experience significant delays (up to 10 minutes) within WORK-ZONE and are encouraged to use SW Pine St as the primary alternate route.*
