This notice is to inform you that city will commence construction of a new sanitary sewer line within SW Sunset Boulevard. The work is anticipated to begin in September, 2016 with an anticipated completion of approximately October, 2016.

Construction work is scheduled to be performed between the hours of 8:30AM to 6:00PM Monday through Friday. Flagging will be necessary during construction and will limit SW Sunset Boulevard to one lane of traffic during periods of the construction.

The sidewalk on the south side of SW Sunset Boulevard will need to be closed to pedestrian traffic during installation of the sanitary laterals. A temporary sidewalk detour will be available on the north side of SW Sunset Boulevard during this work.

The City regrets any inconvenience this work may cause and appreciates your patience with this construction work.

If you have any questions, please contact Craig Christensen, P.E., Project Manager at (503) 925-2301 or by email at [christensenc@sherwoodoregon.gov](mailto:christensenc@sherwoodoregon.gov).
