Why start a Community Garden Program?

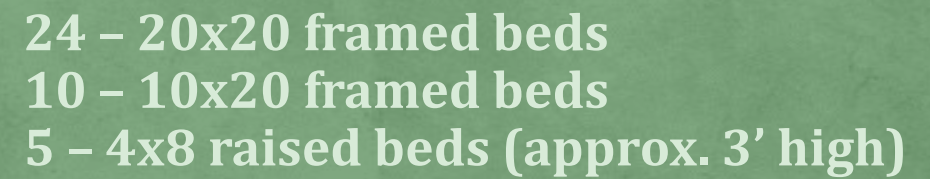

- Grow flowers, food and herbs
- Socialize with friends and neighbors
- Connect to nature
- Physical exercise
- Build sense of community
- Provide volunteer opportunities

Benefits of a Community Garden Program

- Foster relationships
- Lower food budgets for participating families
- Benefit psychological health
- Encourages physical activity

24 – 20x20 framed beds
10 – 10x20 framed beds
5 – 4x8 raised beds (approx. 3' high)

Sherwood Community Garden Basics

- Open dawn to dusk each day
- Open approximately April to October (weather dependent)
- Gardeners provide their own equipment (hoses, tools, seeds, soil amendments, etc)
- City provides framed beds, raised beds, several hose bibs
- Pesticide-free
- Community Areas

- Picnic tables for community areas
- Community board for community area
- Eagle Scout/Gold Award projects
- Partnering with the Sherwood Public Library, Metro, OSU Master Gardeners for educational classes
- Partnering with local businesses for product/services
- Reserved plots for food banks, lower income, etc.

Future Possibilities...

Future Possibilities...

- Children's garden area
- Free Little Library
- Peace pole
