Hi Brad,

It doesn't appear that this proposal will affect approach permits, but we were wondering if the City will be requiring frontage improvements for this proposal. It is an interesting situation since they are on two tax lots. If the City were to require improvements, I think we would prefer to see a sidewalk buffered by a planter strip due to the high speeds at this location.

Thanks,

Good morning all,

I am seeking agency comments per the attached proposal. Because of the size of the application, I am providing the following link to the project web page so that you can review the items that have been submitted for review. As always, please contact me if you have any questions, or need any additional information. Thank you.
