**MEMORANDUM**

**DATE:** September 20, 2016

**TO:** **City of Sherwood

**FROM:** Andy Nuttbrock

**PROJECT NO:** 70973.000

**RE:** Sherwood Hampton  
Existing Trees

---

*This memo is in reference to the existing trees on the project site. The proposed plan is to remove the existing Lombardi Poplar/Cottonwood trees and retain the large evergreen trees. Many of the existing trees appear to be in poor health and have some dead or dying material. New evergreen material will be planted along the southern property line, along the residential properties, to act as permanent visual barrier.*
