July 28, 2014

The Planning Commission will host a Public Work Session on Tuesday, July 28th from 7 to 8:30 PM to obtain public input on the tannery site assessment.

The City of Sherwood was awarded a grant from the United States Environmental Protection Agency's (EPA) Brownfields Program to assess and prepare a plan to clean up two of the six lots associated with the contaminated Frontier Leather Tannery site.

This is an opportunity to learn more about the project and discuss issues and opportunities for brownfield redevelopment. More information can be found at www.sherwoodoregon.gov/tannery
