1. Regulating Recreational Marijuana Facilities In Sherwood Discussion

The meeting began at 7:00 pm. Planning Commissioners, Police Advisory Committee Members and the members of the public who attended split up into four groups. Michelle Miller, Senior Planner informed the group that City Council had decided in January 2016 to put a ban on the November 2016 ballot. Should voters decide not to place a ban on recreational marijuana facilities locating in Sherwood, regulations would need to be adopted on the rules and processes for such facilities that would be in addition to the rules put in place by the Oregon Liquor Control Commission (OLCC).

Josh Soper, City Attorney, gave details of the ban that is in place until the election. Police Chief Groth discussed the need for the community to be proactive in developing regulations. Small group discussion at each table followed.

At the end of the discussion period, each table was asked to share their thoughts on the most appropriate location for each license type, and any additional regulations they would like considered in future regulation of marijuana facilities in Sherwood. The following comments were received:

- Discussion about zoning; Industrial already has security
- In some cases commercially zoned land and uses are adjacent to residentially zoned land and uses.
- Consider using similar regulations as medical marijuana already codified
- Enforcement and regulation should extend to parks, other public facilities and schools
- The group would like to have a better understanding of the different license types
- Limit the size of the use
- Consider code that regulates noxious smells from production
- Consider additional buffers
- Consider regulating co-location of medical and recreational per OLCC
- How can we increase public awareness
- Type of permit; possible conditional use

Michelle thanked participants and encouraged participation in the online survey open until March 31, 2016.

The meeting adjourned at 8:45 pm.
