5. **PUBLIC HEARING**

**A. URA Resolution 2014-006 Adopting the FY 2014-15 budget of the City of Sherwood Urban Renewal Agency, making appropriations, imposing and categorizing taxes, and authorizing the Agency Manager to take such action necessary to carry out the adopted budget**

Finance Director Julie Blums introduced the URA budget for FY 2014-15 and said as discussed at the Budget Committee meeting on May 17 there were no changes proposed by the Budget Committee.

Chair Middleton asked for Board comments, with none received he opened the public hearing.

Eugene Stewart approached the Board and said at the time you increased the funding for URA there was money in there for Oregon and Lincoln Street and he asked what has happened to that money and why is it not available to do those projects. He stated it seems like according to the statutes any change in your adopted plan over \$500,000 are supposed to be approved by the agency and other districts. He said it seems a little loose how the money has been spent. He commented regarding good intentions and said sometimes we don't quite follow the law the way it is written and get the approvals we need. He said it would be interesting to know how you skate by not having to get approval from the other districts when you exceed a budget item that was in the original plan by \$500,000.

With no other public testimony received, Chair Middleton closed the public hearing.

Assistant City Manager Tom Pessemier responded that if there are changes to the plan, which there have not been changes to the plan since the update, and certainly there are projects that are identified within the plan and it was clearly identified that we did not have enough money to complete all of the projects that were identified in the list. He said it is up to staff and SURPAC to recommend projects and bring them forward and then it is up to the URA Board to authorize and appropriate the money in a way that meets state and local laws. He said there have not been any inconsistencies with the way things have been done.

Mr. Butterfield commented that he takes offense to the fact that Mr. Stewart is alluding that we have misappropriated funds and said that is not the fact. He stated the City does a good job of making sure that we spend our money right so we don't and haven't misappropriated any funds.

Ms. Henderson noted that Mr. Stewart's comment had to do with when we increased maximum indebtedness. She stated when the Council considered increasing maximum indebtedness they did have to go around to all the taxing districts and ask them to sign off on that and provide them with data showing how potentially it effected their taxing entity over the life of the district. She said she thought that is what he was alluding to and asked if that was correct. Tom Pessemier said that is correct. She said the taxing district would have been the School District, TVF&R, etc.

With no additional questions, Chair Middleton asked for a motion.

**MOTION: FROM LINDA HENDERSON TO ADOPT URA RESOLUTION 2014-006, SECONDED BY BILL BUTTERFIELD, MOTION PASSED 5:0, ALL PRESENT MEMBERS VOTED IN FAVOR, (MATT LANGER AND DAVE GRANT WERE ABSENT).**

## 6. STAFF REPORT

Assistant City Manager Tom Pessemier reported on the Community Center construction and said there has been significant progress. He noted the contractor has made some internal changes and they have really pushed their subcontractors and the project is moving forward. He said the concrete walls will continue to go up and they are going to do the wood and steel framed walls shortly after, then pour the foundation and start the roof.

Chair Middleton said staff is doing a good job of overseeing the project and commented on how staff noticed the slowdown and made the changes.

## 7. ADJOURN

With no other business to address, Chair Middleton adjourned the meeting at 9:25 pm.

**SUBJECT: URA Resolution 2014-007 of the Sherwood Urban Renewal Agency approving a minor amendment to the Sherwood Urban Renewal Plan, dated August 29, 2000, to allow for the acquisition of additional property**

---

**Issue**

Should the URA Board amend the URA Plan to allow for property purchase by the URA?

**Background**

The properties known as the “1<sup>st</sup> Street Properties” are located mid-block on 1<sup>st</sup> Street between Pine and Oak. These properties are currently vacant and were foreclosed on a couple of years ago. The URA Plan allows for the acquisition of property and requires that properties to be acquired are placed on a list in the URA Plan by a minor amendment to the plan.

The property is desired for improved parking for Old Town Sherwood and is anticipated to become a parking lot to replace parking eliminated when the Robin Hood lot is sold.

**Financial Analysis**

The URA has sufficient capacity and cash flow to purchase the property. The URA also has sufficient capacity to develop the parking lot but that decision will follow at a later time when the parking becomes necessary.

**Recommendation:**

Staff respectfully requests URA Board adoption of URA Resolution 2014-007 to approve the minor amendment to the URA Plan.

**URA RESOLUTION 2014-007**

**WHEREAS**, the Plan requires, under Section 503(B)(1), that the URA Board approve certain minor amendments to the Plan without Council ratification for public improvements; and

**WHEREAS**, the Plan's goals and objectives include the elimination of blighting influences and the promotion of private development found in the Renewal Area, as defined in the Plan; and

**WHEREAS**, the real property known as the "1<sup>st</sup> Street Properties" in Old Town Sherwood is needed for the promotion of public and private development. These properties are more specifically defined as Tax Lots 2S132BA02800 and 2S132BA03000; and

**WHEREAS**, the Agency plans for the property to be redeveloped for public uses as set forth in Sections 503(B) and 504 of the Plan; and

**WHEREAS**, the Agency may amend the Plan from time to time as authorized by Section 700(C) of the Plan; and
