All of the following Requirements must be met:

2. Pay the agreed amount for the estate or interest to be insured.
3. Pay the premiums, fees, and charges for the Policy to the Company.
4. Documents satisfactory to the Company that convey the Title or create the Mortgage to be insured, or both, must be properly authorized, executed, delivered, and recorded in the Public Records.
5. If a proposed mortgage or deed of trust will secure, in whole or in part, construction advances, in order to consider providing coverage against statutory liens for services, labor, or materials arising from construction of improvements or work related to the Land, the Company will require:
 1. Project budget, including hard costs, soft costs, equity contributions, and sources and uses.
 2. An indemnity agreement on a form to be provided, and executed by indemnitor(s) approved, by the Company.
 3. Direct contract(s) with any general contractor(s), including projected schedule for completion of construction.
